

## Getting to Know Mrs. Chatterton

Hello! My name is Angie Chatterton. I grew up in Utah, and I have an Early Childhood and Elementary Education degree from Creighton University, located in Omaha, Nebraska. I have been a teacher for many years, and I have taught fourth through eighth grades. I love teaching fourth grade at Beacon Heights!

Both my daughters (Morgan & Mikelle) attended Beacon Heights, and now both attend Highland High School (GO RAMS). My husband, Jeremy, is the principal at Highland. We have a black lab named "Cooper" and a cat named "Sunny" We love to go camping, paddle boarding, and spend time outdoors. I strive to make learning relevant and fun, and I am thrilled to be working closely with students and parents to make this a wonderful year!
